- **LOOKING AHEAD:**

help..... Help..... HELP.... **HELP.... HELP!**

Do you get the idea that your help is needed? Our annual major fundraiser of the year - **BOOK AND COOKIE SALE** - is **Saturday, December 1, 10am-3pm**, and lots of help is needed to make this a success. Please prayerfully consider whether you might be able to help set up for the sale on Friday, November 30, and/or help get ready the morning of the sale, and/or help during the sale by restocking cookies, helping with the book orders, weighing the cookies, cashiering, and/or cleaning up, including dishwashing. There are sign-up sheets on the Church Family bulletin board and Ethel would like to see names on each line.

As to the books: we will sell set collections of excellent books published by Augsburg Fortress Press on wellness and spiritual well-being, as well as children's books with religious themes. People can view, order, and pay for the books at the sale and they will be delivered to your home before Christmas.

As to the cookies: lots are needed. As soon as you know the names/types of cookies you will be providing, please let me know so I can start making identification cards for them. Please be sure to indicate if they contain nuts.

- **PLEASE KEEP IN YOUR PRAYERS:**

- **Cheryl, Jason and Sheri**, the parents and stepmom of Cody, who was one of the victims of the Thousand Oaks shooting, and all Cody's family including **Martha**, his grandmother who is Judith+'s cousin. We pray that Cody may rest in peace and rise in glory.
- **Shannon and Troy**, Hazel's step-daughter and husband who live in Paradise, CA who lost their home and everything but their lives in the fires
- **Rolando Jimenez**, while he heals – hopefully without surgery – from a broken clavicle
- **Lory Bauer**, on medical leave after suffering a tumor-induced stroke; she is scheduled for surgery December 18 at OHSU
- **Jeanne St.John**, as she continues her recovery from neck surgery – a big hooray that she is able to drive again
- **Tom Myers**, Ethel's son, suffering from recurrence of cancer

Peace,

Jan
