- **CAUTIONARY NOTE:**

If you are the last person to leave the building, please check/or double-check to make sure all the lights (including the restrooms) are off, the heat is turned down to 60°, and all doors are locked. The outside office door was unlocked upon arrival this morning. Please be aware that – on this door only – it unlocks when turning the handle on the inside. So once the door is opened you should either then turn the lock on the handle or use your key on both the handle lock and the deadbolt lock.

- **HELP WANTED**

Dennis Moler has been taking pictures of both those who are new to our church family and those whose photos need updating. Your Office Manager would greatly appreciate it if someone would take charge of posting the new pictures and keeping the picture board updated. This is one of those things that keeps getting put on the back burner because of more time sensitive needs. The pay? Zilch. The compensation? The appreciation of all, especially those new to the family who are learning names.

Peace,

*Jan*
